

APPLE STRUDEL DOUGH

MELT 3/4 STICK OF BUTTER OR OLEO. ADD 1/2 CUP MILK AND 1 EGG YOLK ONLY. GRADUALLY ADD ABOUT 1 3/4 TO 2 CUPS FLOUR TO MAKE A VERY SOFT DOUGH. MIX AND DIVIDE INTO 3 OR 4 BALLS. PUT EACH BALL IN A SANDWICH BAG AND PUT IN THE ICE BOX TO CHILL ABOUT 3 HOURS.

TAKE OUT 1 BALL AT A TIME AND ROLL ON FLOURED BOARD OR TABLE (I PREFER A TABLE BECAUSE IT'S LARGER). KEEP ROLLING AND TURNING THE DOUGH OVER. EACH TIME ADD MORE FLOUR. ROLL UNTIL THE DOUGH IS REALLY THIN. THEN PUT A CLEAN CUP TOWEL ON THE TABLE AND DUST IT WITH A LITTLE FLOUR. PUT THE DOUGH ON THE TOWEL AND ADD THE FILLING BELOW.

APPLE STRUDEL FILLING

MELT SOME BUTTER OR OLEO AND BRUSH IT ACROSS THE DOUGH UNTIL IT IS ABOUT 1 INCH FROM THE EDGES. (DO NOT BUTTER TOO MUCH). MIX TOGETHER ABOUT 1 CUP COCONUT (IF WANTED), 1 CUP CHOPPED PECANS, ABOUT 6 TO 8 SLICED APPLES (YOU CAN USE DELICIOUS APPLES BUT I ALWAYS THINK THAT TARTER APPLES ARE MUCH BETTER), ABOUT 1 1/2 TO 2 CUPS OF CRUSHED VANILLA WAFER CRUMBS AND 3/4 CUP RAISINS. PUT ALL OF THIS IN A LARGE BOWL AND THEN DIVIDE THIS IN THE SAME NUMBER OF PORTIONS AS STRUDELS YOU PLAN TO MAKE.

ALSO MIX TOGETHER 1 CUP SUGAR AND 2 TEASPOONS CINNAMON. THIS WILL ALSO BE DIVIDED BETWEEN THE NUMBER OF STRUDELS THAT YOU MAKE.

HOW TO MAKE THE STRUDEL

ON THE ROLLED OUT STRUDEL DOUGH (WHICH IS ON THE CUP TOWEL) SPRINKLE THE PORTION OF FILLING THAT GOES WITH THIS STRUDEL. THEN SPRINKLE ON THE PORTION OF SUGAR MIXTURE THAT GOES WITH THIS STRUDEL. NEXT ROLL THE DOUGH AS YOU WOULD ROLL A JELLY ROLL, USING THE CUP TOWEL TO GUIDE THE DOUGH. HAVE A PIECE OF ALUMINUM FOIL READY TO PUT THE STRUDEL ON. THIS FOIL SHOULD BE LARGE ENOUGH TO COVER THE STRUDEL COMPLETELY, IF YOU CHOOSE TO DO SO. GENTLY GUIDE THE DOUGH OFF OF THE CUP TOWEL AND ONTO THE FOIL. PLACE THE FOIL ON A BAKING SHEET AND FOLD THE SIDES OF THE FOIL OVER THEMSELVES. (DO NOT COVER THE STRUDEL TOP WITH THE FOIL. WHAT YOU MAKE LOOKS LIKE A LITTLE BREAD PAN BUT YOU MAKE IT AROUND THE STRUDEL. YOU BAKE THE STRUDEL UNCOVERED, BUT WHEN IT COMES FROM THE OVEN YOU CAN THEN USE THE FOIL THAT THE STRUDEL IS ON TO COVER THE STRUDEL.)

AFTER YOU HAVE THE STRUDEL ON THE FOIL ON THE BAKING SHEET, BRUSH THE TOP OF THE STRUDEL DOUGH WITH JUST A LITTLE BUTTER OR OLEO. YOU CAN TOP IT WITH A LITTLE MORE CINNAMON AND SUGAR IF YOU CHOOSE. DO THE SAME WITH THE OTHER STRUDELS. BAKE THEM AT 350 DEGREES UNTIL THEY ARE GOLDEN BROWN--ABOUT 30 TO 40 MINUTES. BRUSH THEM WITH BUTTER OR OLEO AGAIN WHEN THEY COME FROM THE OVEN. LET THEM COOL BEFORE EATING. IF YOU FREEZE THESE, USE THE FOIL THE STRUDEL WAS BAKED ON. SEAL THIS AROUND THE STRUDEL TIGHTLY. DELICIOUS.
