

KOLACHE RECIPE NUMBER 1
VERY GOOD AND TENDER--LARGE RECIPE
NO EGGS

1 YEAST CAKE OR 1 TBSP DRY YEAST
3 CUPS MILK
6 LEVEL TBSP SUGAR
2/3 CUPS MELTED BUTTER, OLEO, CRISCO, OR WESSON OIL
1 1/2 TSP SALT
FLOUR FOR A SOFT DOUGH

SCALD THE MILK AND COOL SO THAT IT IS WARM ONLY. ADD THE YEAST AND DISSOLVE IT IN THE MILK. USE 1 TSP OF THE SUGAR AND ADD IT TO THE MILK AND YEAST BECAUSE THIS MAKES IT RISE BETTER. ADD ENOUGH FLOUR SO THAT YOU HAVE A BATTER LIKE PANCAKES. COVER THE DOUGH WITH SARAN WRAP AND LET IT RISE UNTIL IT IS BUBBLY. (YOU CAN SKIP THIS STEP OF RISING IF YOU CHOOSE TO DO SO.) THEN ADD THE SALT, BUTTER AND REST OF THE SUGAR. ADD ENOUGH FLOUR TO MAKE A SOFT KIND OF BUTTERY DOUGH. IF YOU ADD TOO MUCH FLOUR, IT WILL MAKE TOUGH KOLACHES. AGAIN COVER THE DOUGH WITH SARAN WRAP AND LET IT RISE. TO TEST IF THE DOUGH IS READY, GENTLY POKE 2 FINGERS IN THE DOUGH. IF THE INDENTATION IMMEDIATELY COMES BACK UP, IT NEEDS TO RISE MORE. IF THE INDENTATION REMAINS, THE DOUGH IS READY FOR THE NEXT STEP. THEN MAKE SMALL BALLS THE SIZE OF SMALL HEN EGGS. YOU MAY DIP THE DOUGH OUT BY TABLESPOONS OR DO AS I DO--BUTTER YOUR HANDS AND PINCH OFF SMALL BALLS OF DOUGH. PUT IN GREASED PANS. PUT THE BALLS ABOUT 2 INCHES APART ON A LARGE COOKIE SHEET. YOU CAN PUT 12 TO 15 ON A PAN. BUTTER THE SIDES AND TOP. COVER AND LET RISE IN THE OVEN (PUT ON NO FIRE UNLESS IT IS THE PILOT LIGHT) MAKE INDENDATION WITH 2 FINGERS--I FROM EACH HAND. I PUT THIS IN THE CENTER OF EACH BALL AND STRETCH THE DOUGH GENTLY APART FOR THE FILLING. LET THESE BALLS RISE ABOUT 15 TO 20 MINUTES. IT WILL THEN BE TIME TO PUT THE FRUIT FILLING IN THE CENTER OF EACH. YOU MAY NEED TO STRETCH THAT LITTLE OPENING THAT YOU'VE MADE FOR THE FILLING ONE MORE TIME. PUT STRUESSEL TOPPING ON TOP OF THE FILLING. PUT IN A PREHEATED 400 DEGREE OVEN AND BAKE ABOUT 15 MINUTES. (THIS DEPENDS UPON YOUR OVEN.) BUTTER THE TOP OF EACH OF THEM WHEN YOU TAKE THEM FROM THE OVEN. SPRINKLE SUGAR ON TOP OF EACH.
